

X2™ ...the 8th Wonder™...comes out swinging...
**“CANVAS PANELS COST TOO MUCH!
(So does Stretched Canvas!)”**

NEW

Molly's Xtraordinary™
SCHOOL™
CANVAS PAPER™
(Double Thick)™

*Molly Hawkins' New Money Saving
replacement for expensive
canvas panels & stretched canvas...*

**Looks, Feels and Performs Like Canvas!
At 1/4 the price!**

X2 is double thick paper that looks, feels and performs like canvas. It works great with acrylics. If you want the more rigid feel of a panel, have students tape an X2 sheet to a canvas panel, using the panel as a **reusable** artboard. (You buy the panel only once!)

X2 Canvas Paper™ is Bright White.
