## Skinny Chalk!

With Skinny Chalk Holder & Angled Eraser/Smudger

### **STRANGE AND UNUSUAL!**

**The Skinny Chalk and Holder Set lets you create small details and projects without getting messy! The angled eraser on top of the holder allows for minor corrections and adding negative space details. Perfect for writing and creating craft signs, tags, banners, and other artistic projects. Skinny chalk colors include 2 white, 1 red, 1 yellow, 1 green, and 1 blue. 3.5" long. Great for school programs, art classes, or to keep on hand at your craft station. Retail Value is \$12.**

## Art Teachers See The World Differently...

Life's A  
Puzzle...

So is marketing  
to art teachers...

ArtVenture is  
a creative com-  
pany looking for  
art teachers to  
participate in a  
free trial of their  
great products,  
and then to help  
design a lesson  
plan.
