

I'll glue beads to the clock rim...I'm mounting mine on a poster board background...I'll use pictures to indicate hours..wait until you

Greatest Of ALL TIME Art Project!

Make A Crazy Face

DESIGN YOUR Clock Face...
We provide a 10" circle with White Laminate On One side...single wall corrugated in the middle, brown kraft on the back side. The bright white surface has a matte finish that easily accepts markers, crayons, paints, adhesives... glue photos, beads, etc!
Or use alternative. **Design your face!**

CORRUGATED 10" Circles

AA Battery Included

Then Add a Clock Movement... this mechanism will draw attention to your Art for All Time!

Your Quartz Clock mechanism will easily mount on the circle (or most anything)... simply punch a hole and put the brass screw through....then press on the hands!

A Clock (With Battery) and Circle Face cost only \$2.99!

MOST LOOKED AT ART PROJECT!
