

How Art Teachers saved the world... ★

★
...for 100,000 years ★
beings on the
planet eh
were ruled by ★
robot-like creatures
known as tinheads...

★
...the tinheads stifled ★
all imagination
and creativity
forcing everyone to use
only the left side
of their brains!

★
It Was A
Milky One-Way Galaxy... ★

★
...Until...

... AN UNDERGROUND RESISTANCE FORCE... A LEGENDARY GROUP OF WARRIORS KNOWN AS THE TRA...

... I IMAGINED A SECOND WAY... USE OF THE RIGHT SIDE OF THE BRAIN AS WELL AS THE LEFT!

THIS BEGAN THE GREAT REBELLION!

THE HEAD TINHEAD PROCLAIMED...

THINGS WILL BE ONE WAY... EH!

THEN HE ORDERED A STONING OF THE TRA...

THAT'S WHEN HISTORY'S FAMOUS STONE & AWE BATTLE TOOK PLACE

THE TINHEADS PROVIDED THE STONES

THE TRA CREATED THE AWE
WITH THEIR SHIELDS...

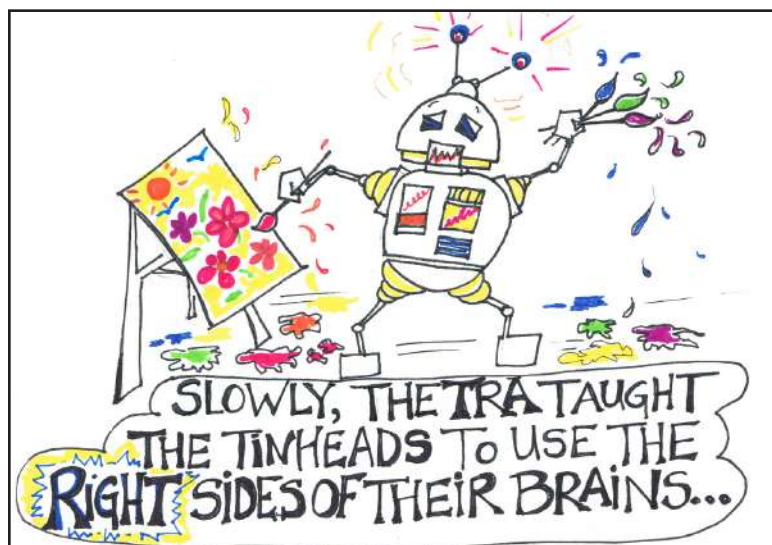

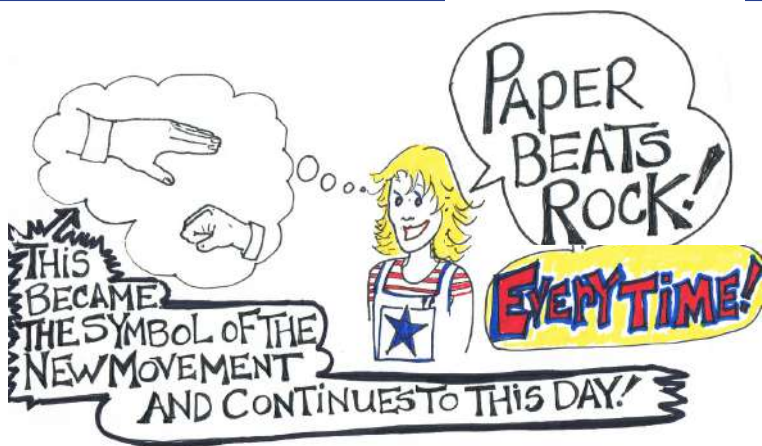

THE 84, 97, & 117-POUND SUPER DRAWING PAPERS BOUNCED THE STONES BACK AT THE TIN HEADS...

THE TINHEADS THREW THE LARGEST STONES EVER...

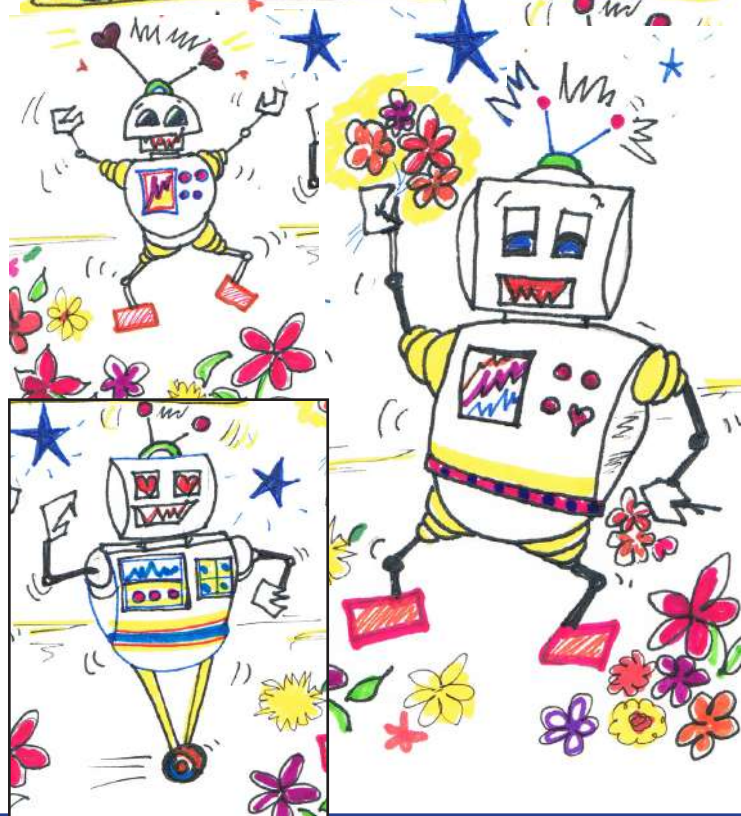

SCHOOL WATERCOLOR PAPER, MR SMOOTH TAGBOARD & EBONY DRAWING PAPER HANDLED THEM WITH EASE...

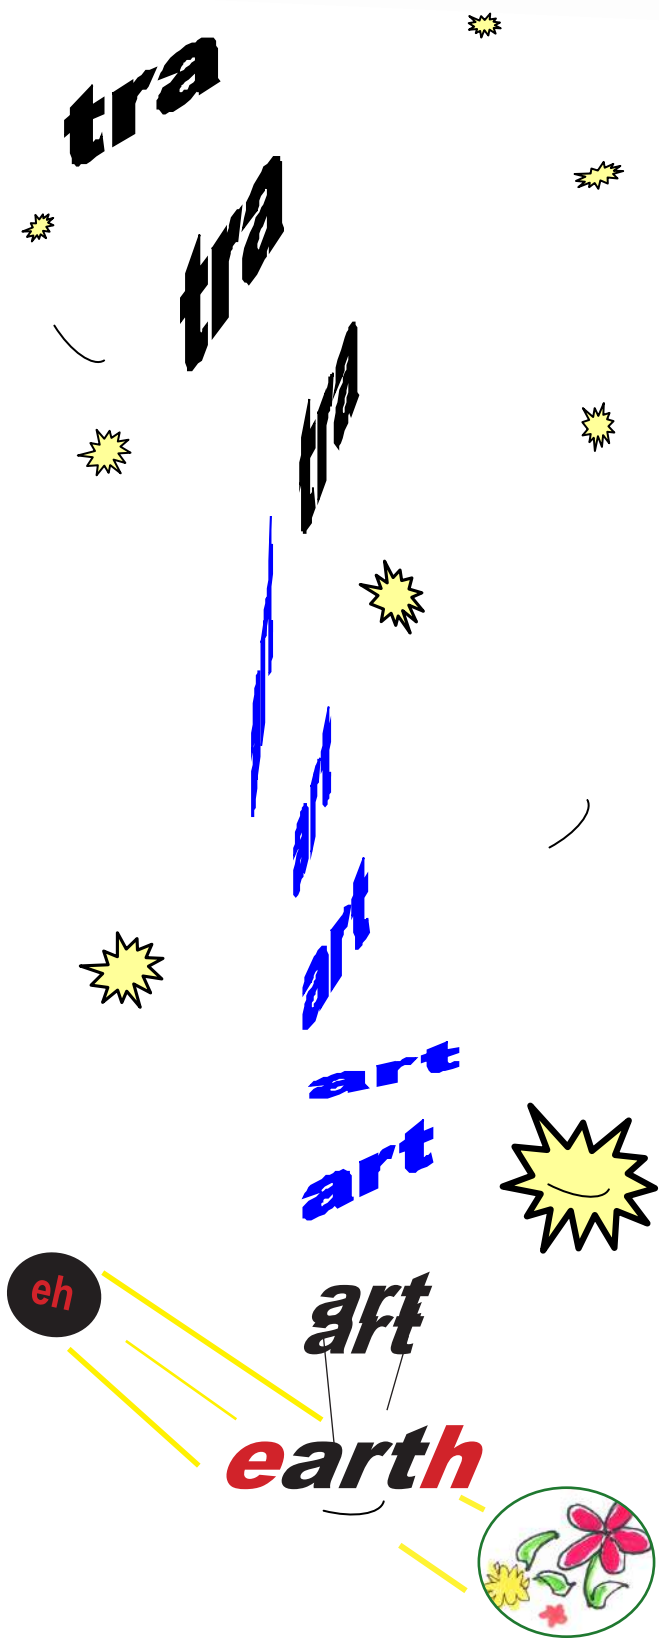

AND THEY LIKED IT!!!

THE TRA TURNED
THINGS AROUND...
AND LANDED IN THE MIDDLE
... PLANET EH BECAME

THE LEGENDARY
TRA WERE EARTH'S
FIRST ART TEACHERS
THEY SAVED
THE WORLD! 

 BUT, EVEN
TODAY,
THREATS FROM
TIN HEADS
CONTINUE!

TODAY'S **ART TEACHERS** ARE
5000 IMPORTANT
