

X2™ ...the 8th Wonder™...comes out swinging...
**“CANVAS PANELS COST TOO MUCH!
(So does Stretched Canvas!)”**

Molly's Xtraordinary™
SCHOOL™
CANVAS PAPER™
(Double Thick)™

*Molly Hawkins' New Money Saving
replacement for expensive
canvas panels & stretched canvas...*

**Looks, Feels and Performs Like Canvas!
At 1/4 the price!**

X2 is double thick paper that looks, feels and performs like canvas. It works great with acrylics. If you want the more rigid feel of a panel, have students tape an X2 sheet to a canvas panel, using the panel as a reusable artboard. (You buy the panel only once!)

X2 Canvas Paper™ is Bright White.
Photo above was darkened to show finish

Here's why **X2**TM has Canvas Panels on the ropes...

8x10" Size, Cost Comparison:

**X2
Canvas Paper
29¢**

**Canvas
Panel
86¢**

When compared to stretched canvas the savings are even greater!
X2TM offers you incredible savings.

8x10" X2TM Comes In
100-sheet Wraps...

**MONEY-SAVING
8x10 VALUE SIZE!**
Art Teachers Have Told Us That
8"x10" performs
as well as 9"x12"

THE KNOCKOUT PUNCH...

X2 SCHOOL CANVAS PAPER
